3.	Chairs Report	<p>This is SOCA's 3rd anniversary, we started from scratch and it has been a big learning curve. Initially we had high expectations and possibly unrealistic in what we could achieve as we have struggled to get more parental involvement. Some things did not work as expected however others have surpassed all expectations. Easy fundraising now has 127 users and we have raised £1875.00, school have now access to the account and it is really picking up. Throughout the last year we have continued to support parent evenings, awards events, art celebration, productions and other school events. School are very appreciative of our efforts and support. We have successfully been promoting school in our community by representing at the Pudsey Carnival, Pudsey House coffee mornings and the Christmas Lunch we provide for the elderly in Pudsey. We have also had success at claiming a number of grants to support students with extracurricular activities and personal needs. The Borough of Pudsey, Asda, Greggs, Mission Christmas, Cash for kids and Local councillor funding have all been very generous this last year. These have all made a difference.</p>

Financially we currently have £1747 in the savings account and £1501 in the current account. Of this, £500 is funding for the production, £133 is for the catering course / Cath Pheasy, £1700 towards the minibus.

1st April 2018 to 31st March 2019

Income -

Bank Interest	0.34
Donations	798.66
Easy Fundraising	385.06
