March 2016

Dear Parent/ Carer,

We all want our students to enjoy a positive learning experience at Crawshaw Academy. With this in mind we are launching a new initiative that will benefit the whole school community, but we need your support to do this.

We want to set up a group of volunteers who would like to be involved in organising activities and social events to raise funds for the academy and to develop a greater sense of community.

This is a project where everyone can join in. We need people with a wide range of skills and bags of enthusiasm - all offers of help are welcome, no matter how large or small. For instance, you may be great at event planning and organising; brilliant at selling raffle tickets or baking cakes or are just happy to work as part of a team. We are sure there is something every single one of us can do. Every offer of help will be valued and if we all work together we will ultimately achieve our goal.

As well as fund-raising benefits for the academy it will give you, as parents, the opportunity to meet other families and learn more about our academy and how it works. Volunteering/ joining in will give you the opportunity to put existing skills to good use and learn new ones; all the time making a difference to your child's time at school.

We want to hear your views, so please come along for a chat and a cup of tea on:

Wednesday 9th March at 6:30 p.m. at the Parents' Information Evening

The first A.G.M will be on

Wednesday 30th March at 6 p.m.

Everyone is welcome, even those who haven't done anything like this before. Your idea could be the great one that gets us started.

Be there at the beginning and help make it happen!

Yours sincerely,

A.J. Daly
Principal
