

Year 11 History GCSE Homework

November 2025 to May 2026

Complete the exam questions in your homework book and hand in on the week indicated. You are welcome to complete questions ahead of time.

The homework tasks alternate, one week will be an exam question to complete and the next will be core content to revise. For the core content there will be a knowledge quiz based on that core content in a lesson that week. Teachers may also set additional homework on the weeks with core knowledge revision.

This covers at least one practice of each type of question and covers all essential content ahead of your exams.

For the source questions, see the source folder on Teams.

For help utilise your exercise books and the resources on your class Team. For each module there is a revision booklet as well as revision resources and also guidance on how to structure and answer each question.
