5	Feedback from Parents/ Carers Food and Nutrition/ Cooking: Ambient ingredient feedback – these are provided. Parents Evening: - Happy with the in person parents evening but not all teachers could be seen due to some appointments running over. - Form tutors could be available to see. - Egg timers showing 5 minutes could be used. - Some online booking systems allow a parent/ carer to explain specific issue they wish to discuss which can save time (Parent Booking). Year 8 and 9 Employer Engagement event: - Concern that 2 presentations mentioned they didn't have any qualifications but still earn a lot of money. IAD to feedback to organisers. Year 7 Residential: - Email that students had arrived came the day after the event. Could do with quicker communication. - Social media updates were really appreciated. - Future plans for Year 8 shared. - Concern Year 10s have not had a trip/ residential.	30	Parents/ Carers

	Year 9 Options: - When do the students find out about options – include in weekly email. - - Son called out of a lesson to inform that they couldn't be given their first choice lesson and to choose another option. Better to inform parent/ carer first. - Confusion over the form – pick science triple or double and then had to pick a Humanities. Process just needs explaining clearer. IAD to speak to PD. Rewards: - Some parents receiving emails saying they have got bronze award again -after receiving silver award. Classcharts emailing out. Some parents not receiving an email at all. - Rewards criteria for the Alton Towers trip a lot clearer.
