## Learner Entitlement Statement for CEIAG

## **STUDENTS**

All Learners at Crawshaw Academy will:

• Take part in a careers programme across their school career. Learners in Year 7 – 13 will take part in a careers programme that helps them to understand their education, training, employment and other progression opportunities available to them. They will develop the skills they need to plan and manage their own personal development and career progression. They will have access to relevant information and learning from taster activities and workshops. All will make and maintain individual progression plans to help them improve their prospects of success.

There will be opportunities for feedback and the chance to give ideas on how to improve the careers programme.

- Have access to, and support in using careers information. Careers information will be easy to find and available on our website and on the Start Platform. This will be clearly labelled and referenced, and comprehensive, giving details of all progression opportunities and associated support arrangements such as financial help. It will be unbiased and accurate.
- Obtain careers guidance that is impartial and confidential. It will be focused on individual needs and fit for purpose. It will be supportive of equal opportunities and provided by people with relevant training and expertise.

## **PARENTS**

## All parents and carers can expect to:

- Be able to make an appointment with a member of staff or CEIAG specialist to discuss their children's progress and future prospects.
