

Year 11 Media Studies GCSE Homework *January 2025 to May 2025*

Writing homework for Media Studies will be set on a weekly basis on the whole-year Teams page. Homework will cover higher-mark questions from both the Component 1 and Component 2 exam papers. This will ensure students have covered core content for both papers ahead of the exams.

Students have one week to complete each homework task. Homework can be submitted via Microsoft Forms or attached to the Teams assignment. Students may also request and submit homework on paper if they are not able to access Teams or Forms – students should speak to their class teacher in this instance.

For help, students will be given source materials, sentence starters, and tips on Teams as part of their weekly homework assignment. They may also utilise their booklets and exercise books.
